# Introduction to Vocal Sound Healing Academy

**Three-Level Certificate Training:** Weekly Online Classes; 5-day Live Training Retreat

**V.S.H.A. Training Program Duration Per Level:** Late October through Mid-May

**V.S.H.A. Certificate:** Awarded Upon Successful Completion of Requirements per Level

**Who is a Good Candidate for the Vocal Sound Healing Academy?**
This Training Program Can be Chosen by Anyone, for the Purposes for Cultivating either a Primary Practice as a Vocal Sound Healer or a Complementary Discipline for One's Current Healing Practice, or, for the purpose of Internal Enhancement & Growth Exclusively, without the intention to create a healing practice.

**What Makes the Vocal Sound Healing Academy & its Graduates Stand Out?**
Gwendolyn's Vocal Sound Healing Practitioner Tri-Level Training Program Offers a Unique Approach, Weaving Passive & Active Healing Vocal Expression via Song & Pure Vocal Sounds, with Jungian Psychology, and Multi-Dimensional Spiritual Elements, so that all Graduates are Equipped to Confidently & Effectively Respond in a Myriad of Healing Situations for the Highest Good of All.

**V.S.H.A. Founder & Instructor:** Dr. Gwendolyn McClure, Ph.D.

**Instructor Qualifications:** Vocal Sound Healer since 1990, offering Live & Remote Private Sessions & Groups; Wilderness Retreats, Vision Quests; Multi-College Instruction in this Field (2000-2017); Domestic & International Workshops; & International Sacred Sites Tours.
**Training:** Year-Round Weekly Voice Instruction with a Juilliard Graduate (1974-1979). Massage Therapist Practitioner since 1987 (Santa Barbara School of Massage). M.A. in Counseling Psychology--Depth Psychology Emphasis (Pacifica Graduate Institute, 1990); Practicing Psychotherapist Intern, 1987-1995. Ph.D. in Clinical Psychology--Jungian Emphasis (Pacifica Graduate Institute, 1998); Published Doctoral Dissertation on the topic of Vocal Sound Healing (*E-Copy Available Upon Request & required reading in Level I)* entitled: "A Cross Cultural Interdisciplinary Study of the Healing Power of Singing & Vocal Sounding" (Dissertation Abstracts International, 1998). Apprenticeship with Apache Medicine Man 1998-2007. *(See "About" Section of Vocal Sound Healer website for more Training details)*
