Level II Certification Training

I: Description

The Vocal Sound Healing Academy Level II Certification Training Program is open to those who have completed the Level I Certification Training, and for those who would like to dive deeper in the acquisition of high-level skills using the human voice as a modality in the Healing process.

This Training supports students to further develop Integrity, Congruency, and Embodiment in the process of using one's own Voice & Cultivating Client's Voices to Represent & Share the Gifts of Soul-Truths for all aspects of the Human Journey.

Certification students will be taught energy management skills and shown how to build & manage auric boundaries to protect one's own physical body and energy bodies.

Students will learn how to successfully navigate one's own Psyche's imaginal figures for the purpose of healthy internal balance and stabilization. Practitioners-to-be will receive advanced instruction in the capacity to guide clients and one's self into the depths of the Psyche for ultimate wound-root resolution and transformation, including communicating with loved ones from the other side for nurturing contact, and completion of both lessons and the grief process.

Through embodied practices, students will learn how to protect themselves and their loved ones and pets, as well as clear & protect their land, home, and office at energetic levels.

The Vocal Sound Healing Academy Level II Certification Program emphasizes individual responsibility at the highest possible human standard for one's healing

journey, in order that Practitioners become clear vessels through which Divine Light and Love flows through the Voice and one's entire Being to and for Self and any Client, Situation, or Group for Ultimate Positive Transformation.

A New Magical Songs Booklet will be offered to students with an expanded list for your Healing Songs Toolkit.
